

MODULE: SCIENTIFIC COMMUNITY

MENTOR GUIDE

Checklist

Prior to meeting with mentee(s)

- Review the materials provided for this module
- Choose which topic might be more interesting or useful: Peer Review, Participation in Scientific Conferences and Meetings, or Research Funding. Assign Deliverable 1 based on this choice.
- A PowerPoint presentation is provided that describes an overview of research funding, you can customize with information about your university.

Discussion with mentee(s)

- Ways that you participate in the Scientific Community through Peer Review, Participation in Scientific Conferences and Meetings, and Research Funding. Help them understand the many roles and motivations that constitute university research.
- Five-Minute Reflection

Suggested Schedule

1. Schedule mentor-mentee meeting
2. Discuss provided overview document
3. Five-Minute Reflection
